

February 2015

Dear Sir /Madam

The Adelaide Comets Soccer Club has been a representative team of the Kanga Cup, a national tournament held in Canberra for Australian Soccer since 2013.

This FFA sanctioned tournament is the largest tournament held for children between the ages of 10-17 in Australia. There are more than 160 teams, comprising more than 2500 boys and girls participating in this weeklong event.

The tournament offers players an opportunity to develop while being challenged against teams from all over Australia. We treat this tournament not only as a football tournament, but one that will help each player develop lifetime skills of commitment, team environment bonding and responsibility while representing their Club. This tournament will live in the memories of players for their lifetime.

More than 5000 parents, caregivers, volunteers and players will attend the Opening Ceremony at the Australian Institute of Sport. Please view the opening ceremony of 2014 by following this link: <https://www.youtube.com/watch?v=gcjsYtICK6A>

Coaches, support staff and parents will all volunteer their time and expense to take part in this tournament played in Australia's Capital, the city of Canberra.

The Adelaide Comets U12 JPL team will participate in the tournament this year. The parents of the team have formed a Committee to raise much needed funds to reduce the cost to each child attending the tournament. The Committee has put together sponsorship packages and wish to offer you the opportunity to expose your company at this national event. We are hoping to raise \$25,000 - \$30,000 to get our team of 16 players and their coaches to the tournament through sponsorship or donations. Any assistance you can give to the team would be appreciated and recognized with promotions and advertising.

We have sponsorship packages for Hooded Jackets, bags and beanies to advertise your business name this has been a successful promotion in previous years.

Please find below various packages which may be of interest to your company. An alternative offer can be created for interested companies if necessary, feel free to contact Nick Trolie on 0418844224 or email nicktrolie@hotmail.com to organize your preferences.

Thank you Kanga Cup 2015 Committee.
